Re: **EXECUTIVE DIRECTIVE 2 / 2013**

Effective immediately, MCCMH will implement the authorization of services to the General Fund (GF) population (non-Medicaid consumers) based on a modified GF Benefit Plan of services. Authorization of services to GF consumers will be based on severity of condition, assessment of each consumer's needs, and the service categories provided in the modified Benefit Plan. For GF consumers with currently authorized services, modified Benefit Plan services will be implemented for them as those authorizations expire. MCCMH and all Network Providers shall continue efforts toward completion of Medicaid applications for indigent persons.

This Executive Directive supersedes the Directive issued on March 4, 2009.
