The Right Connection Macomb County

“The Right Connection” Resource Directory provides information to help families locate free, low-cost, or unique human services in Macomb County. The directory captures resources available from non-profit organizations and a few out-of-county or for-profit resources for high needs situations.

For more information, visit
connection.misd.net.

Help is available.

Youth Substance Use

For Referral of Youth Ages 5-19

Assessments are usually initiated by the student, a family member, or school personnel. Other concerned individuals are also encouraged to initiate contact. Parental involvement is always encouraged. After an initial assessment, the student and/or family will be directed to the right resource for support.

**Assessments are available from
CARE of Southeastern Michigan
Student Assistance Center:
586-541-2273**

**Treatment services are available at
Macomb Family Services
Clinton Township - 586-226-3440
Romeo - 586-752-9696**

Families and Youth

Procedures for Involuntary Commitment if a Juvenile Presents a Suicide Risk

A parent can request an emergency evaluation if there is a reason to believe the minor is emotionally disturbed and poses a danger to themselves or others.

Petitions must contain the basis for the request, the names and addresses of all witnesses, and the name and address of the nearest relative or guardian.

Macomb County Community Mental Health's Children's Mobile Intensive Crisis Stabilization Services (ICSS)

The program provides in-home or community-based crisis intervention services to Macomb County children and families. A therapist and a parent support partner will respond to any non-life threatening emotional or behavioral issues that may be disrupting daily life.
