

Macomb County Community Mental Health is pleased to offer

Play Therapy Training Series

Presented by: Laura W. Hutchinson, PsyD, RPT/S

This in person training series is comprised of six introductory training courses discussing the history of and different theories of Play Therapy, foundational objectives and defining qualities of Play Therapy and interventions used in Play Therapy. Participants will also learn about the stages of child development and the importance of play on development, social skills and emotional regulation. This training provides education on an important modality for those that work with the mental health of children and will discuss how to become a play therapist (RPT) through the Association for Play Therapy (APT).

The following workshops will be offered as part of this series:

<p>Importance of Play & Foundations of Play Therapy March 3rd 10a-12p</p>	<p>Development April 10th 1p-3p</p>
<p>Play Therapy Sample Platter March 3rd 1p-4p</p>	<p>Intro to Adlerian Play Therapy May 21st 9a-12p</p>
<p>Working with Families April 10th 9a-12p</p>	<p>Intro to Sandtray Play Therapy May 21st 1p-3p</p>
